

Really?

**CHRISTINE
O'DONNELL:**

DOESN'T pay her employees

DOESN'T pay her taxes

DOESN'T pay her mortgage

CHRISTINE O'DONNELL

Would Be Really Bad for Delaware Workers

We know U.S. Senate candidate Christine O'Donnell supports an anti-worker agenda. And we know that she can't manage her own finances. We can't trust her to get our economy back on track. Here are the facts:

Will Extend Tax Cuts for the Super Wealthy

O'Donnell wants to keep the tax cuts flowing to the richest 1% of Americans. She said she'd "absolutely" continue the Bush tax cuts for the wealthy in office. ["Christine O'Donnell: Make Bush Cuts Permanent." www.newsmax.com, 9/8/10]

Wants to Enact Crushing Taxes on Working Families

O'Donnell supports an extreme "flat tax" that would crush working families to lower taxes for the rich. ["Christine O'Donnell on Tax Reform" www.ontheissues.org, accessed 9/15/10; Ulbrich, Holley. "Flat Tax Is Class Warfare." *U.S. News and World Report*, 4/12/10]

Can't Manage Her Own Finances

O'Donnell defaulted on her mortgage for over \$90,000. She owes over \$11,000 in back taxes and penalties. And she's failed to pay her own employees, yet she's used campaign money to pay her rent.
